

# Learning Mentors

## Vision

To identify and overcome any barriers to learning faced by our pupils so they can access the school curriculum and thrive.

We are here to help with :

We provide support and guidance to pupils in order to promote active participation, enhance individual learning and raise aspiration.

We invest in unpicking underlying reasons for disengagement and wrong behaviour. and craft our structure support around this. Respond to the needs of children who have experienced trauma.

To plan individual and group mentoring interventions. Support children to manage transitions in their lives.

To maintain effective working partnerships with teachers, parents/carers and outside agencies.

## Interventions

### SEMH
